All traded venison must involve, and be recorded by, a party who is a registered, licensed, Venison Dealer, once. Venison trades, must record essential information, for three years, and exhibit this information if demanded.

AGHE: Approved Game Handling Establishment.

FSS: Food Standards Scotland.

HACCP: Hazard Analysis Critical Control Point (basic food hygiene risk assessment with key actions for critical points)

SNH: Scottish Natural Heritage.

VDL: Venison Dealers Licence

Carcass preparation stages.

Unprepared is limited to normal gralloching and larding procedures up to skinning.

Preparation is the further removal of the skin, and sectioning into butchered parts the meat, and stripping of meat from the skeleton.
